Stationary Box Scoring Guide

Top flap	
Sides: score at 3/4 of an inch, and then 1 and 1/4 inch. Cut off gray areas. Top and Bottom Flaps: score at 3 and 3.5 inches from the bottom, and 2.5 and 3 inches from the top. Cut off gray areas.	
Bottom flap	

To complete: Stamp sheet of 8.5x11 cardstock as desired. After scoring and trimming off gray areas, corner-punch the top flap and inside of the side flaps.

Fold all flaps into the middle and secure with Sticky Strip. Secure top opening flap with a Velcro tab.

To turn into a purse: Attach 10-12 inches of ribbon with a brad on each side of the box near the top flap.

Fill with cards and matching envelopes for a great gift!
